## CIDRE

### DOMAINE COMTE LAURISTON

Bespoke Small Domaine Normandy Cidre

**Cidre Bouché Brut de Normandie** 750ml £11.95

Cidre Brut de Normandie is made of more than 50 varieties of apple. Matured apples are crushed and pressed to extract the juice, which undergoes a slow fermentation and is then bottled under pressure. This cidre has a lovely, golden hue with flavours of overripe apples and a floral, orange blossom note.

**Cidre Poiré** 750ml £14.95

Poiré is a traditional drink made in Normandy. Pear juice from several different varieties are fermented naturally from 5 to 8 weeks. The juice is then transferred to bottle where it continues to ferment with a natural production of gas creating its sparkle. The resulting cidre is fresh and floral with fruity notes of pear and citrus.

Fantastic with Fish

Great with Beef
